

# BBTB62R

PERFORMANCE SERIES BASS TROMBONE

BLESSING®

**PLAYABILITY** - Professional features easily allow for a broad, colorful sound, more volume, and more natural production of the lower partials.

**AFFORDABILITY** - Maximum playability within the means of a student or school budget.

**RELIABILITY** - We built our legacy as a result of the design and manufacture of brass instruments that perform with predictability and consistency. This helps create long-term confidence with the student and educator in performance.

**SOUND** - The dark, weighty tone of the BBTB62R Bass Trombone provides a strong foundation and stability to any trombone section.
