

BEP1287

STANDARD SERIES EUPHONIUM

BLESSING®

SOUND - Rich and warm, the BEP1287 Euphonium is easy to play with reliable intonation, excellent response and characteristic depth of sound.

PLAYABILITY - Four top action stainless steel pistons provide a smooth quick feel allowing for continued technical development.

ACCESSIBILITY - Small shank receiver provides quicker response and greater control which is ideal for a developing musician.

DURABILITY - Built for the demands of a beginning student with an expectation to take them from elementary through high school band.
