

BFH1541RT

PERFORMANCE SERIES FLUGELHORN

BLESSING®

PLAYABILITY - Offering professional features that include an adjustable 3rd valve slide trigger, the Blessing BFH1541RT is an upgrade in playability at a fraction of the cost.

RELIABILITY - Historically, the Model 1541 Flugelhorn has perennially been a Blessing best seller. It is ideal for both the student or the professional musician.

AFFORDABILITY - No one combines legacy, brass instrument design, and value the same way Blessing does. The BFH1541RT offers maximum playability with the fit and feel of a professional instrument at a reasonable cost.

SOUND - In performance, a player will experience a smooth feel, transitioning between trumpet and flugelhorn without compromising the characteristic warm and mellow 'flugel' sound. Ideal for the student player to a professional musician, the Blessing BFH1541RT is the perfect choice for the player that requires the flugelhorn color and wants something easy to play.
