

BM311S

MARCHING SERIES BARITONE

PLAYABILITY - Designed with a large shank mouthpiece and large bore allowing for greater blowing freedom to facilitate the volume demands of outdoor playing.

RELIABILITY - Compact wrap and ergonomic design inspire confidence and ease of play.

DURABILITY - Improved build quality to handle the rigors of any marching situation.

SOUND - The BM311 Marching Baritone provides a huge, resonant sound that adds stability and depth to a marching band's overall palette of color.
