BLESSING®

PLAYABILITY - Responsive and easy to play, the BTB1488 will provide instant success and inspire confidence.

ACCESSIBILITY - Point of entry for the aspiring student is important. The BTB1488 trombone offers a brand name professional performance experience that is affordable.

RELIABILITY - A return to its roots, Blessing has provided a dependable trombone approved by band directors for school band performance for over half a century.

SOUND - With a responsive and flexible bandwidth of sound and color, the new BTB1488 trombones re-establish Blessing's heritage as a leading choice to the meet musical demands of a student's formative years.

BLESSING BTB1488 HAND SLIDE

The heart and soul of a trombone. The new BTB1488 trombones feature a traditional narrow hand-slide that has helped define the classic American trombone sound for generations. Design refinement on the BTB1488 trombone hand slides include rose brass outer slide with nickel end bow and narrow width construction.

Benefits include:

- Faster slide technique
- Faster response
- Ergonomic - more comfortable grip in the hands of a student
- More focused sound
- More clarity in articulation and attack
