

BTR1287

STANDARD SERIES Bb TRUMPET

BLESSING®

QUALITY - Built for a beginner with room for long term growth and development. Standard design features that provide a balanced instrument that is manageable for a young player with a smooth reliable valve stroke.

PLAYABILITY - Easy to control and responsive, the BTR1287/BTR1287S Bb Trumpet offers even intonation and tone throughout its range. It is a dependable high-quality entry-level trumpet with a focused brilliant sound.

DURABILITY - Solid build quality that can withstand the strenuous demands of early band life and accommodate a student's needs for both concert and marching performance.

AFFORDABILITY - Combines performance, build quality, and accessibility to meet the standard required for a student's formative years in band.
